

YELP SUCKS.

Here's the directory that doesn't.

Yelp built a \$1B business on pay-to-play reviews, 12-month ad contracts, and CPC bidding wars that drain \$660–\$1,700 a month from local owners. Localservices.tech is the opposite — flat rate, no contracts, no hidden reviews.

	LOCALSERVICES.TECH	YELP
Starting price	Free during launch promo	\$300+/mo for ads
Contract	None — pay per listing	12-month standard
Reviews	Every honest review stays	Algorithm can hide them
Lead pricing	Flat — no CPC bidding	\$3–\$15 per click
Featured boost	\$5 / 7 days, no auto-renew	Bundled into ad spend
Local SEO pages	Auto for every city × category	Yes

HALF THE PRICE

50% of comparable directory ad pricing. No CPC bidding.

HONEST REVIEWS

We never filter or hide reviews to push you into an ad plan.

BUMP FOR \$5
